BYU Public Health

ADVISING

9 Sept 2020

If you have questions regarding this major, the new curriculum, mapping out your classes, or have questions in general about what is expected of you, please feel free to make an appointment with a Public Health department advisor by calling
801-422-3386.

For the time being PLEASE CONTACT BETH.LIECHTY@BYU.EDU
DIRECTLY TO MAKE AN APPOINTMENT

****ADVISING APPOINTMENT HOURS****

Stephanie and Beth are happy to chat via email, phone conversations, FT, Skype, Google Hangout, whatever works best for you. You may still make an appt by calling the number above or you may email Stephanie or Beth directly.

Stephanie Lutz (Internship Coordinator)
10-2pm M-Th

Beth Liechty (Class planning)

9-2pm M-Th

Before meeting with Stephanie about internship questions, please read the entire internship manual, make a list of questions, and outline your internship plans. The manual will answer many of your questions. By preparing for your appointment, your time with Stephanie will be much more efficient.

Just a reminder that the Department of Public Health has a Facebook page where you can find current news and event information!

*Find us at **BYU Public Health***

*You may also find department news on our website: **PH.BYU.EDU***

VOLUNTEER

DOMESTIC INTERNSHIPS

Please refer to the current Internship Manual to find answers regarding your internship. Please read the

manual prior to attending your mandatory internship meeting (see above for dates/times)

[Internship Manual](#)

INTERNSHIP

WEBER-MORGAN HEALTH DEPARTMENT

Our interns work within the Division of Health Promotion. They complete objectives in various program areas, obtain hands-on experience in CHES competencies, and better learn what it means to get real-life experience as a Community Health Educator.

Benefits

Most internships provide an intern with experience in only one program area, while we provide students with experience in **ALL** of our health promotion programs.

Students will work in the following areas:

- **Physical activity, nutrition, and obesity prevention**
- **Teen Health and teen pregnancy prevention**
- **Tobacco Prevention**
- **Injury Prevention**

Qualifications

- Must be pursuing a degree in Health Education
- Must have completed or be enrolled in a program planning class
- Must be eligible to begin earning internship credits
- Must be able to complete 200 hours
- Must be dependable, computer-literate, organized, self-motivated, and nicotine-free
- Must have reliable transportation as program activities require intern to travel to multiple locations

Now Recruiting Interns!

Accepting Applications for 2021 Spring Semester Internships (January- April)

Deadline - Oct. 16, 2020

For more information and to apply, visit

<http://www.webermorganhealth.org/internships/>
or contact

Bethsa Becerra at (801) 399-7192 or
wminterncoordinator@co.weber.ut.us

477 23rd St. Ogden, UT 84401

NAME, ADDRESS, PHONE NUMBER, SCHOOL NAME,
SCHOOL DEGREE, AND WHY YOU WOULD BE
INTERESTED IN THIS INTERNSHIP.

- Internships from September–December
- Part-time hours–Serve from home (Virtual)–Unpaid positions
- Event Planning, Grant Writing, Social Media Management, Volunteer Management
- Ideal Candidates: Health and Human Services, Public Health, Nonprofit Management in the state of Utah

To apply for the internship above, please email the following information to
info@alittlelovevillage.org: Name, address, phone number, school name,
school degree, and why you would be interested in this internship.

Expect approximately 10 hours a week from the intern,
but flexible. It can be done on the interns schedule, and
also if one week they cannot complete the hours it can be added to
another week's hours.

UNIVERSITY OF UTAH
HUNTSMAN
CANCER INSTITUTE

Internship Opportunity at Huntsman Cancer Institute

Huntsman Cancer Institute is seeking applicants for the Community Outreach and Prevention Education Program Internship.

Selected interns will join an established team devoted to creating long-term solutions to prevent cancer and improve the health of individuals, families, and communities—especially those disproportionately affected by cancer. Interns assist with planning, organizing, implementing, and evaluating projects in collaboration with community partners across Utah. Projects focus on cancer risk factors, prevention and screening, vaccination, and lifestyle behaviors. Interns also represent Huntsman Cancer Institute at community health and screening events; engage in statewide coalition work; provide in-person and virtual health education; and collaborate with researchers and clinicians.

Eligibility:

Undergraduate and graduate students with a degree in public health, health promotion and education, health sciences, community outreach/engagement, or other relevant field is preferred.

New interns are accepted 3 times per year:

- Spring: January–April
- Summer: May–August
- Fall/Winter: September–December

Application:

Interested students should email their application to Garrett Harding at garrett.harding@hci.utah.edu.

Applications must include:

- Resume
- Cover letter (include internship requirements and expectations)
- Two letters of recommendation
- Availability

INTERNATIONAL INTERNSHIPS

JOB OPENINGS

CENTERS FOR DISEASE
CONTROL AND PREVENTION

The Regulatory Affairs and Clinical Guidelines Team of the Emergency Preparedness and Response Branch of the CDC are offering a Fellowship Postgraduate Research position in Applied Public Health, studying antiviral treatments for orthopoxviruses.
