Come Join us on the Europe Public Health Study Abroad!

Students will be immersed in the local culture as they experience European environments and lifestyle. Students will experience the impact of social and built environments (culture) on their own and others' behaviors. Students will observe how public health programs and policies in Europe contribute to the overall health of populations. They will learn innovative approaches to tackling public health challenges such as obesity, diabetes, heart disease, and other chronic conditions.

We are currently accepting students for Summer 2021, June 22nd-July 23rd. Applications will be received until spots are filled, or until December 20th.

HELP ME GROW UTAH

Care Coordination Internship Winter 2021

Apply online here: <https://www.helpmegrowutah.org/who-we-are/join-our-team>

Help Me Grow Utah is a free pregnancy and child development helpline where families and providers can connect to developmental screenings, community resources and information. Care coordination interns share responsibilities similar to our Parent Support Specialists including:

- Helping families enroll with Help Me Grow by email, text, or phone
- Interpreting and giving results of child development questionnaires to parents
- Researching community and informational resources to provide to families as applicable
- Following up with families to see if resources have worked for them
- Writing blog posts about child development topics of interest to you
- Other office tasks as necessary

Interviews will be held virtually. The entire internship experience can be completed remotely, though intern must be able to pick up/return their office phone and other training equipment as necessary. Our office is located in Provo, UT. A minimum commitment of 15 hr/week is required throughout the semester.

Help Me Grow Utah is proud to be an initiative of the United Way of Utah County.
