## ADVISING

**21 Oct 2020**

If you have questions regarding this major, the new curriculum, mapping out your classes, or have questions in general about what is expected of you, please feel free to make an appointment with a Public Health department advisor by calling 801-422-3386.

### **\*\*ADVISING APPOINTMENT HOURS\*\***

Stephanie and Beth are happy to chat via email, phone conversations, FT, Skype, Google Hangout, whatever works best for you. You may still make an appt by calling the number above or you may email Stephanie or Beth directly.

#### **Stephanie Lutz (Internship Coordinator)**

**T/TH in person appts**

**M/W Zoom appts**

**9-2pm**

#### **Beth Liechty (Class planning)**

**9-2pm M-Th Zoom appts**

### **Tuesday in person appts**

Before meeting with Stephanie about internship questions, please read the entire internship manual, make a list of questions, and outline your internship plans. The manual will answer many of your questions. By preparing for your appointment, your time with Stephanie will be much more efficient.

**Come Join us on the Europe Public Health Study Abroad!**

Students will be immersed in the local culture as they experience European environments and lifestyle. Students will experience the impact of social and built environments (culture) on their own and others' behaviors. Students will observe how public health programs and policies in Europe contribute to the overall health of populations. They will learn innovative approaches to tackling public health challenges such as obesity, diabetes, heart disease, and other chronic conditions. We are currently accepting students for Summer 2021, June 22<sup>nd</sup>-July 23<sup>rd</sup>. Applications will be received until spots are filled, or until December 20th.

# INTERNSHIP

## WEBER-MORGAN HEALTH DEPARTMENT

Our interns work within the Division of Health Promotion. They complete objectives in various program areas, obtain hands-on experience in CHES competencies, and better learn what it means to get real-life experience as a Community Health Educator.

### Benefits

Most internships provide an intern with experience in only one program area, while we provide students with experience in **ALL** of our health promotion programs.

Students will work in the following areas:

- **Physical activity, nutrition, and obesity prevention**
- **Teen Health and teen pregnancy prevention**
- **Tobacco Prevention**
- **Injury Prevention**

### Qualifications

- Must be pursuing a degree in Health Education
- Must have completed or be enrolled in a program planning class
- Must be eligible to begin earning internship credits
- Must be able to complete 200 hours
- Must be dependable, computer-literate, organized, self-motivated, and nicotine-free
- Must have reliable transportation as program activities require intern to travel to multiple locations

## Now Recruiting Interns!

Accepting Applications for 2021 Spring Semester Internships (January- April)

**Deadline - Oct. 16, 2020**
