

Health Promotion Internship

You are invited to apply with our MAG Health Promotion Program Internship. We would be delighted to have you as part of our team this semester. Our goal is to make this internship as beneficial to you as it is to us.

Internship Duties

The internship will give you an inside look at the running of a public health program in Utah County. The duties include, but are not limited to:

- Research, creation and implementation of new evidence based classes/programs
- Complete new client assessments for seniors who are participating in a class. You would communicate with them and enter their information into our online database.
- A variety of event preparations and execution (depending on the semester)
- Assist with volunteer management
- Learn about Meals on Wheels and how it helps promote health in the senior community
- Other duties as assigned

Internship Salary

This is an unpaid internship. However, we will reimburse the mileage used while driving for us.

Internship Hours

The internship is a minimum of 15 hours a week but can be more. Specific hours will be arranged with the supervisor. The schedule is flexible.

Apply at: https://mountainland.org/hdm_volunteers/apply

And send a resume to: jgolding@mountainland.org
