

Caregiver/CNA/Med Tech Position in Geriatrics

Are you interested in a career in healthcare? Working as a Caregiver or CNA is the best way to gain a basic understanding of healthcare work while interacting with many other parts of the healthcare field such as Nursing, Home Health, Hospice, Physical Therapy, Dietetics, Administration, Recreation, and more. Geriatrics is a huge sector of the healthcare industry and Assisted Living provides a great way to learn about the health needs of seniors.

Ashford Assisted Living & Memory Care is a locally owned business with locations in Springville and Draper. We are committed to providing the best care for our residents and the best work environment for our employees. Here are just a few of the things you will love at Ashford:

- Flexible scheduling
- Competitive pay
- Leadership and growth opportunities
- Continuous training and experience
- Involved management
- Best staffing ratios
- Clean and beautiful building

To make scheduling easier for students, Ashford has 8-hour shifts which are 7am – 3pm, 3pm – 11pm, and 11pm – 7am. There are also some shorter float shifts available. We require all staff to work a maximum of every-other weekend, Saturday and Sunday. Days of the week are flexible.

To work at Ashford, you do not need to be certified as a CNA. No previous experience is required. If you are dependable, a hard worker and enjoy working with the elderly, we can train on the rest.
