We've had quite a few Public Health students work and volunteer at the Utah County Health Dept vaccine clinic, and wanted to share a thank you from them!

ATTN: Pre-dental students or students looking for a volunteer opportunity

A message from Mountainlands/Community Health Connect: We are reaching out from community health connect because Our Give Kids a Smile event is coming up for 2022! We received the green light to host GKAS this upcoming 2022 year, where more than a hundred dental appointments are donated to children in the community in one single day. We are looking for students in the area, wanting to become apart of a great event and experience with our team. It will be hosted Feburary 26, 2022

To get more information and find out how to get involved, students can sign up through the attached Google link!

Career Services - Sterling May

"I was too afraid to go to career services as a student. It sounded like I needed to have my life together before I met with them, but the truth is that you don't. You can come in and say, 'I really have no

idea what I'm doing with my life,' and we'll say, 'Great, let's talk!'"
