## Internship and Remote Program Coordinator Internship

This is a fantastic opportunity for a 12-week remote marketing and social media internship with the 2ft Prosthetics. The desired candidate will play a pivotal role in increasing the awareness for our work via marketing and social media strategies.

#### **About 2ft Prosthetics**

2ft Prosthetics is a Utah-based non-profit focused on helping amputees in developing countries. 2ft Prosthetics was started by a group of BYU students in 2009 and continues to have a presence on BYU campus with a club in the Fulton College of Engineering and Technology.

#### **Key Responsibilities:**

- Refine and document our marketing strategy
- Build our brand on social media platforms such as Facebook and Instagram
- Create copy and content plans for marketing channels
- Manage \$10,000 Google Ads ad spend
- Enhance the support for the 2ft Prosthetics alumni network
- Participate in weekly video conference calls
- Update the 2ft Prosthetics website

The ideal candidate has experience in social media marketing and public relations with an interest in international development.

#### **Required Skills and Experience:**

- Must be able to demonstrate strong creative and communication skills
- Experience in graphic design
- Skilled in photography and videography
- Organized with ability to clearly document work
- Self-starter that is willing to work remotely
- Ability to work and communicate asynchronously using tools such as Trello, Google Drive, email and text
- Passionate humanitarian and/or desire to aid underserved amputees is preferred

Send your resume and a paragraph on why you are interested in the internship to Dave Williams ([dave@2ftprosthetics.org](mailto:dave@2ftprosthetics.org)).

This is an exciting opportunity for a 12-week remote program coordinator internship with the 2ft Prosthetics. The desired candidate will play a key role in helping 2ft Prosthetics obtain donated prosthetic components and prepare for humanitarian trips this year to the Dominican Republic and the Philippines.

#### **About 2ft Prosthetics**

2ft Prosthetics is a Utah-based non-profit focused on helping amputees in developing countries. 2ft Prosthetics was started by a group of BYU students in 2009 and continues to have a presence on BYU campus with a club in the Fulton College of Engineering and Technology.

#### **Key Responsibilities:**

- Refine our donated prosthetics components inventory management
- Work with the executive director to gather key metrics and communicate them through an Annual Impact Report
- Coordinate with our partner clinics in the Dominican Republic and the Philippines in preparation for humanitarian trips there this year
- Gather donated components for the amputees that we will help in the Dominican Republic and the Philippines
- Participate in semi-weekly video conference calls

The ideal candidate has experience in international development and public health with an interest in working with clinics and patients.

#### **Required Skills and Experience:**

- Must be able to demonstrate strong communication and organizational skills
- Organized with ability to clearly document work
- Self-starter that is willing to work remotely
- Ability to work and communicate asynchronously using tools such as Trello, Google Drive, email and text
- Passionate humanitarian and/or desire to aid underserved amputees is preferred

Send your resume and a paragraph on why you are interested in the internship to Dave Williams ([dave@2ftprosthetics.org](mailto:dave@2ftprosthetics.org)).
