Internship and Remote Program Coordinator Internship

This is an exciting opportunity for a 12-week remote program coordinator internship with 2F Prosthetics. The ideal candidate will play a key role in helping 2F Prosthetics expand its reach and contribute to the provision of prosthetics to those in need.

About 2F Prosthetics
2F Prosthetics is a non-profit organization focused on delivering prosthetics to developing countries. It was founded in 2010 and has been operational in the Dominican Republic and the Philippines. The organization is dedicated to improving access to prosthetics and enhancing the lives of those who are amputated.

Key Responsibilities:
- Help identify and document our marketing strategy
- Build and maintain our social media platforms
- Create and manage our social media channels
- Manage our Google Ad account
- Enhance our support for the 2F Prosthetics social media network

The ideal candidate has experience in social media marketing and public relations with an interest in international development.

Required Skills and Experience:
- Must be able to demonstrate strong communication and project management skills
- Experience in graphic design
- Skilled in photography and videography
- Strong organizational skills
- Ability to work independently
- Ability to work remotely
- Proficiency in using tools such as Thrive, Google Drive, email, and text

At 2F Prosthetics, we believe in empowering individuals to lead independent lives, and we are committed to ensuring that every amputee has access to the right prosthetic limb. If you share our passion for delivering prosthetics and changing lives, we encourage you to apply.

Send your resume and a paragraph on why you are interested in the internship to Dave Williams (dave@2fprosthetics.org).
