FALL INTERNSHIPS

Community Outreach and Engagement Internship Huntsman Cancer Institute

Huntsman Cancer Institute (HCI) at the University of Utah is seeking applicants for the Community Outreach and Engagement (COE) Internship program. Selected interns will join established teams devoted to creating long-term solutions to prevent and screen for cancer and improve the health of individuals, families, and communities. Interns will engage in program planning and design; community health needs assessment activities; equity, diversity, and inclusion efforts; community and patient health promotion and education; HCI training efforts; community health and screening events; coalition work; professional development; personal projects; and with many other teams and projects to receive a broad perspective of community engagement work.

Eligibility & Commitment:

The COE Internship is for graduate and undergraduate students.
Graduate Internship: 15 weeks, 20 hours/week (300 total)
Undergraduate Internship: 15 weeks, 10-15 hours/week (150-225 total)
 *Interns can expect 50% of their internship to be done virtually/remote

Application & Internship Timeline:

A new cohort of interns is accepted 3 times per year:
 Spring Internship: January - April (Applications due **November 1**)
 Summer Internship: May - August (Applications due **March 1**)
 Fall Internship: September - December (Applications due **July 1**)

How to Apply:

Interested students should email the following items to:
nathaniel.ferre@hci.utah.edu

- Current Resume including current schoolwork
- Cover Letter that includes the student's goals and expectations of the internship
- One letter of recommendation from an employer, professor, or mentor. Letters can be sent from the student or the letter writer

If you have any questions, reach out via email at any time.

Friends for Sight is looking to recruit Vision Program Interns for **Fall 2022**.

Vision Program Interns will travel to various schools across Utah County (and occasionally Salt Lake County) to assist with vision screenings of preschoolers and K-12 students. This is an unpaid internship, but a travel stipend will be awarded at the completion of a successful internship.

Applicants must have at least 3 weekday mornings (from 8am to 12pm) available each week for internship duties. Must also have reliable transportation to get to screening locations, and reliable internet to work on projects remotely.

Applicants with less availability who are interested in spreading required internship hours across Fall AND Winter semesters will also be considered.

Interested applicants can send resumes or any questions to Haley Smedley at haley@friendsforsight.org.
