GLOBAL INTERNSHIPS
Those interested in applying for the Y Be Fit internship for Winter 2023 are strongly encouraged to attend one of the following Zoom information meeting happening this week:

**Wednesday, October 19th**

@ 6:00 pm, [https://byu.zoom.us/j/91513135692?pwd=VFZtQWhsMmVVSGZ3VkJvZl9yZll5QT09](https://byu.zoom.us/j/91513135692?pwd=VFZtQWhsMmVVSGZ3VkJvZl9yZll5QT09)

The Y Be Fit internship is a paid internship that provides meaningful experience to students seeking careers in work-site health promotion, personal training, health coaching, and other health-related fields.

Each info meeting will last approximately 30 minutes. The purpose of the meeting is to acquaint students with the internship responsibilities, application process, and frequently asked questions. Both meetings will cover the same
material, so you only need to attend one. If you are unable to attend either meeting, email ybefitdirectors@gmail.com for a recording of the meeting.

**Additional information about the online application process, including application deadlines, is available on our website under the “Internship” tab. Note that the application deadline is Friday, November 4th at 11:59 p.m.**

---

**International Rescue Committee** in Silver Spring, Maryland has started recruitment for Winter 2023 internships. **NOTE: BYU calls January – May “Winter” semester. Almost ALL other campuses and internships will refer to this as “Spring”, so make sure you select the “spring” internship openings for Winter semester. Internships secured may qualify for housing and credit through the BYU Washington Seminar program, more information at: fhssinternships.byu.edu.

IRC Silver Spring is operating hybrid due to the COVID-19 pandemic. **WINTER 2023** interns may work partly in-person or entirely remote, depending on the program. The situation will be reevaluated as things evolve.

You can find the full description by going to [https://rescue.csod.com/ats/careersite/search.aspx?site=1&c=rescue](https://rescue.csod.com/ats/careersite/search.aspx?site=1&c=rescue) and filtering by City (Silver Spring) and Employee Category (Intern). Prospective interns will use that link to apply.

We strongly encourage interested applicants to apply for more than one program. If you want professional, hands-on experience working with refugees, asylees, & trafficking victims, apply to be an intern with the IRC in Silver Spring!
Help Me Grow Utah is a free pregnancy and child development helpline where families and providers can connect to developmental screenings, community resources and information. Parent Support interns share responsibilities similar to our Parent Support Specialists including:

- Helping families enroll with Help Me Grow by email, text, or phone
- Interpreting and giving results of child development questionnaires to parents
- Researching and recommending community and informational resources to provide to families as applicable
- Following up with families to see if resources have worked for them
- Writing blog posts about child development topics of interest to you
- Other office tasks as necessary

Interviews will be held in-person. The internship will be completed in-person as well. Our office is located in Provo, UT. A minimum commitment of 15 hr/week is required throughout the semester.

Questions may be sent to internships@unitedwayuc.org

Help Me Grow Utah is proud to be an initiative of the United Way of Utah County

Help Me Grow Utah (HMGU) is a free family information line designed to promote the optimal development of young children by linking families to information and community resources related to child development and parenting, providing personalized care coordination, and creating and facilitating partnerships within the community to improve the availability and quality of services for families.

Help Me Grow is looking for an Early Childhood Social Media Intern for the Winter semester to assist in the management of our Facebook, Instagram, Pinterest, and Blog platforms. A 15 hr/week minimum commitment is required. Hours are flexible.

Apply online here: https://helpmegrowutah.org/who-we-are/get-involved
Help Me Grow Utah is a free pregnancy and child development hotline where families and providers can connect to developmental screenings, community resources and information. Community outreach interns share responsibilities similar to our Community Liaisons including:

- Working closely with the Community Liaison to plan and attend outreach events for families, services providers, and physicians.
- Become proficient in the explanation of the Help Me Grow model.
- Help with the gathering and organizing of resources in the community.
- Plan and organize activity kits and volunteer work.
- Contribute to the furthering of partnerships between Help Me Grow and community partners.

The internship can be a hybrid of remote and in-person work. Our office is located in Provo, UT. A minimum commitment of 15 hr/week is required throughout the semester. Questions may be sent to internships@unitedwayuc.org

Help Me Grow Utah is proud to be an initiative of the United Way of Utah County
