Handshake Internship Listings

The Utah Chapter of the Society for Public Health Education is accepting applications for a Fall internship to run from October – December. The internship can last longer if requested and needed to obtain required hours. USOPHE is a professional organization for those in public health, health education, and related fields. The association provides professional development and leadership opportunities to members. Examples include serving on the Board and committees, attending the annual conference, and presenting professional webinars. The person serving in this internship will work with the Board and various committees to complete projects that advance the mission of USOPHE and support the membership. This person will also have the opportunity to learn about and be involved in various aspects of public health, including professional development, advocacy, and public relations.

Deadline to apply is Sept. 31st and applicants will be notified the week of October 1 to set up an interview.

For more information about the internship and to apply: <https://forms.gle/SzrWceCvbwhQLYzNA>

Please reach out to Gabriela Murza if you have any questions! Gabriela.Murza@usu.edu or 385-268-6543.
