Class planning for the following emphasis:

- Health Science A-F
- Other LS majors

To set appointment please call 801-422-3042

Upcoming Events/Announcements

Interested in Diverse Populations?

Dr. Randy Page is looking for one or two students to work on a video project that focuses on helping students gain cultural competency for working with African Americans in health care settings. Students will be paid for their work and will work for an estimated 2-5 hours per week. The work is expected to begin in October and go into February or March of 2023, and will result in the production of a video to be used in training BYU students to be more culturally competent and culturally humble. Interested students please contact Dr. Page - - randy_page@byu.edu , 2030 LSB. Students with video production skills are particularly encouraged to consider this opportunity.

Come to the Healthcare Industry Association (HIA) Opening Social! The HIA is open to any student interested in healthcare (whether it be on the business side, provider side, or elsewhere). There are SO MANY interesting and meaningful opportunities in healthcare for students of ALL MAJORS! It is completely FREE to join the HIA, so no dues!

The opening social will be for undergraduate and graduate chapters and will include food, brief speaker messages, and getting to know you games. There will also be FOOD (Costa Vida).

The event date is **Thursday, September 8, at 7:30pm** in room 3228 of the Wilkinson Center. **PLEASE RSVP** to the event by scanning the QR code on the above flyer

Interested in volunteering at the BYU Flu Clinic?

This clinic usually sees around 3,500 patients, consisting of BYU employees, students, and their families. It's a great way to see how these clinics function and it's an opportunity to serve on campus.

For those interested in volunteering, please take the survey at this link (https://byu.az1.qualtrics.com/jfe/form/SV_bPFcILPxMVZczjM) which will show the available slots.

VOLUNTEER OPPORTUNITY

315 South 100 East, Provo, UT 84606

WANTED—Some Great Mentors for Children/Teens

The Utah County Children's Justice Center is looking for some great community volunteers who can spend one hour a week, for a six-month period, as a mentor to a child who has been a victim of abuse. A mentor's role is to be a friend, positive influence, and a reliable/consistent presence in the life of a child.

If you, or someone you know are at least 18, willing to attend a 40-hour state-mandated training, able to pass a background check, own or have access to a vehicle, and can make a six-month commitment to work with a child – then we'd love to have you volunteer!

We are especially grateful for Spanish-speaking mentors and those who can serve in northern or southern Utah County areas.

Fall 2022 Mentor Training will be held on the following dates (must be able to attend all eight sessions):

Wednesday, September 7 (5:15-8:45 pm)
Thursday, September 8 (5:15-8:45 pm)
Monday, September 12 (5:15-8:45 pm)
Wednesday, September 14 (5:15-8:45 pm)
Thursday, September 15 (5:15-8:45 pm)
Monday, September 19 (5:15-8:45 pm)
Wednesday, September 21 (5:15-8:45 pm)
Thursday, September 22 (5:15-8:45 pm)

If you are interested in being a part of our Fall Mentor Training, please email the Victim Assistance Coordinator at annetted@utahcounty.gov, or phone (801) 851-8504. If you are interested, but unable to participate this time, let us know and we'll keep you informed about upcoming training sessions. Please feel free to share this wonderful opportunity with others.

Spend one hour a week having fun, while changing the world for a child!

CAREER CORNER

Public Health Research SME

COMMUNITYHEALTH
CONNECT

Medicaid Outreach & Enrollment Specialist

About us: At Community Health Connect we help the low-income residents of Utah County receive specialty medical, dental and mental health care. This occurs through four different programs: our Volunteer Provider Network, Medicaid Enrollment, Dental Program, and Mental Health Program.

Job Description: The Medicaid Outreach & Enrollment Specialist is a case manager for patients with Medicaid applications, as well as an outreach coordinator who connects with community partners to find members of the community who are in need of services. They will also manage interns as part of the Title I Fluoride Program, which is conducted each Fall and Spring Semester.

Potential tasks will include:

- Running the Title I Fluoride Program
 - Establishing health guidelines for interactions with schools
 - Hiring 2 - 3 interns each semester
 - Coordinating with schools, and conducting events
 - Contacting parents about cavities and insurance resources
 - Monitoring the input of data from events
- Conducting outreach with partner organizations
 - Attending coalition meetings regularly
 - Connecting with organizations to attend events/find families in need
 - Connecting clients with resources as needed
- Managing Medicaid cases
 - Assisting with the initial application
 - Keeping track of verification requests from Medicaid
 - Assisting in obtaining or explaining needed documents for Medicaid approval
 - Helping approved Medicaid patients to find a doctor in their area

Requirements:

- Proficiency with Excel, Word, PPT etc.
- Spanish or Portuguese speaker strongly preferred
- Bachelor's Degree in Public Health or related field

How to Apply: Interested candidates should submit a resume and cover letter to Rachel Mortenson, at rachel@utahchc.org. **Resumes without a cover letter will not be considered.**

OUTREACH RECRUITER
for senior services

Job position: outreach recruiter for senior services

https://utahcounty.wd1.myworkdayjobs.com/en-US/Utah_County_Careers/details/Outreach-Recruiter--Senior-Services---Time-Limited---No-Benefits_R0000844-1

Center for Change, one of the most respected facilities for the treatment of eating disorders, is seeking part-time, and part-time on-call, female Behavioral Health Techs to collaborate with The Center's multidisciplinary treatment team in providing safe, secure, and supportive treatment to inpatients suffering from Anorexia and Bulimia. This is an excellent opportunity for college students who are studying behavioral or public health to gain exposure and build experience in the field. Part-time techs typically work from 8 to 16 hours/week. Many students work up to 24 hours per week based upon their availability for open shifts. **We are currently offering signing bonuses! New Techs will receive \$1,500 (paid out in 3 increments over your first year of employment).**

Please visit our website to learn more about The Center: <http://centerforchange.com/>

Go to our Careers page, click to view all openings and then select the Behavioral Health Tech job opening to complete and submit your online application <https://jobs.uhsinc.com/center-for-change>
