Handshake Internship Listings

Utah State University Extension in Utah County is looking for an intern to work on health and wellness related projects for the upcoming semester and will run January-April 2023. The internship is based out of the Utah County office in Orem. Please see the following list of responsibilities.

Job Responsibilities:

- Help manage the Health Quest program
- Help expand Health Quest program through advertising and grants
- Assist with Body image classes
- Assist with Confidence Project related grants and classes
- Assist with Utah Women and Leadership projects
- Help write health and wellness related articles
- Help with analyzing data from classes and projects

Work Hours and Benefits:

Much of this work can be done remotely and it is an unpaid position. Interns will be expected to work about 10 hours per week. All work can be qualified as experience on a resume to be utilized for future job applications.

Needed Qualifications:

- Working on a degree in a related field
- Organized
- Self-starter

To Apply:

Please send your resume and cover letter to Cindy Jenkins at cindy.jenkins@usu.edu and contact her with any questions. The deadline to apply is December 15th and then you will be contacted for an interview.

Now Recruiting Interns!

INTERNSHIP

WEBER-MORGAN HEALTH DEPARTMENT

Our interns work within the Division of Health Promotion. They complete objectives in various program areas, obtain hands-on experience in CHES competencies, and better learn what it means to get real-life experience as a Community Health Educator.

Benefits

- We Provide Students with experience in ALL of our health promotion programs which includes:
 - Physical activity, nutrition, and obesity prevention
 - Teen Health and teen pregnancy prevention
 - Tobacco prevention
 - Injury prevention
- **We provide a stipend for all of our interns**

Qualifications

- Must be pursuing a degree in Health Education
- Must have completed or be enrolled in a program planning class
- Must be eligible to begin earning internship credits
- Must be able to complete 200 hours
- Must be dependable, computer-literate, organized, self-motivated, and nicotine-free
- Must have reliable transportation as program activities require travel to multiple locations
- Must be in the office twice per week-the rest can be remote

Accepting applications for Spring 2022 (January-April) **Deadline:**
November 22, 2022

For more information and to apply, please visit
<http://www.webermorganhealth.org/internships/>

The Utah Chapter of the Society for Public Health Education (USOPHE) is accepting applications for internships for the Fall/Winter semester starting in December. The internship period is flexible to meet your institution's needs and to obtain required hours. USOPHE is a professional organization for those in public health, health education, and related fields. The association provides professional development and leadership opportunities to members. Examples include serving on the Board and committees, attending the annual conference, and presenting professional webinars. The person serving in this internship will work with the Board and various committees to complete projects that advance the mission of USOPHE and support the membership. This person will also have the opportunity to learn about and be involved in various aspects of public health, including professional development, advocacy, and public relations. This is a remote, unpaid internship.

For more information about the internship and to apply: <https://forms.gle/SzrWceCvbwqhQLYzNA>

Deadline to apply is November 30th and applicants will be notified starting December 2nd to set up an interview. The tentative start date is December 12th and can be adjusted as needed.

JOB OPENINGS

Center for Change, one of the most respected facilities for the treatment of eating disorders, is seeking part-time, and part-time on-call, female Psych Techs to collaborate with The Center's multidisciplinary treatment team in providing safe, secure, and supportive treatment to inpatients suffering from Anorexia and Bulimia. This is an excellent opportunity for college students who are studying behavioral health to gain exposure and build experience in the field. Part-time techs typically work from 8 to 16 hours/week. Many students work up to 24 hours per week based upon their availability for open shifts. **We are currently offering signing bonuses! New Psych Techs will receive \$1,500 (paid out in 3 increments over your first year of employment).**

Please visit our website to learn more about The Center: <http://centerforchange.com/>

Go to our Careers page, click to view all openings and then select the Behavioral Health Tech job opening to complete and submit your online application <https://jobs.uhsinc.com/center-for-change>
