Seniors and Graduate Students: Are you interested in challenging yourself in an impact-driven career after you graduate?

- By joining Teach For America, you will become part of a majority-BIPOC network of leaders. Check out our leadership corps program here.
- We offer full salary, benefits, scholarships, stipends, professional development, and diversity, equity, and inclusion training for every corps member.
- Learn about the Cougars who have joined Teach For America from every major/background through a call with a recruiter.

Juniors, Sophomores, and Freshmen: Do you want to make a direct impact next semester?

- Consider applying to Teach For America’s Ignite Fellowship, to work directly with elementary or middle school students this spring. We’re seeking college students to lead virtual, small group tutoring sessions with students for 3 - 5 hours a week (math or literacy). This is a part-time, paid opportunity to build meaningful relationships with youth, accelerate student success, and hone your leadership skills. Submit your application by November 15.
- Additionally, Teach For America’s fall events provide many opportunities to learn how leaders across the nation are catalyzing their leadership to make educational equity a reality for all students. Get connected with our representative, Julie Gunderson & take a look at what we have to offer this Fall!
