BYU Political Science Dept looking for focus group participants

Participants Needed!
We are inviting college students to participate in focus groups studying the effects of political parties and institutional and personal decision-making during the COVID-19 pandemic.

If you are interested, please fill out the following form: https://forms.gle/1FxtCc5jFhmE4RiD9
Meet Ayugi, our new Student Experiences Coordinator!

Ayugi is a Women’s Health Advocate, a wife, mother, fitness enthusiast and humanitarian. Results-driven and highly accomplished, Cindy comes to us with a proven track record of success in fundraising in support of various Global Health issue areas for the past decade. Her work has spanned food, menstrual and vaccine equity both locally and internationally, with her passion lying in using her skills and talents to bless the lives of many.
She currently lives in Orem, UT with her husband and two children and in her free time, you can catch her in a dance class.

You can reach her by email if you have questions regarding internships or other student experiences: ayugi@byu.edu

(Please also continue to email Kenzie at publichealthinternships@gmail.com for instructions regarding the internship process)

Join Y-Serve Refugee on Wednesdays from 7pm-9pm in the Wilkinson Center by the Cougareat. In partnership with local nonprofit organizations we assemble blankets and sleeping pads for refugees abroad as well as within Utah. Come for as much of the activity as you have time!
The BYU public health department is providing an additional resource to help public health students and professionals to take steps to find the right job that fits them and grow their careers. The job board subscription is to help stay updated on the latest employment opportunities available here in Utah.

Internships
Community Outreach and Engagement Internship
Huntsman Cancer Institute

Huntsman Cancer Institute (HCI) at the University of Utah is seeking applicants for the Community Outreach and Engagement (COE) internship program. Selected interns will join established teams devoted to creating long-term solutions to prevent and screen for cancer and improve the health of individuals, families, and communities. Interns will engage in program planning and design; community health needs assessment activities; equity, diversity, and inclusion efforts; community and patient health promotion and education; HCI training efforts; community health and screening events; coalition work; professional development; personal projects; and with many other teams and projects to receive a broad perspective of community engagement work.

Eligibility & Commitment:
The COE internship is for graduate and undergraduate students.
Graduate Internship: 15 weeks, 20 hours/week (300 total)
Undergraduate internship: 15 weeks, 10-15 hours/week (150-225 total)
*Interns can expect 50% of their internship to be done virtually/remote

Application & Internship Timeline:
A new cohort of interns is accepted 3 times per year:
Spring Internship: January – April (Applications due November 1)
Summer Internship: May – August (Applications due March 1)
Fall Internship: September – December (Applications due July 1)

How to Apply:
Interested students should email the following items to: community@hci.utah.edu
• Current Resume including current schoolwork
• Cover Letter that includes the student’s goals and expectations of the internship
• One letter of recommendation from an employer, professor, or mentor. Letters can be sent from the student or the letter writer

If you have any questions, reach out via email at any time.
