## BEING PEACEFUL IN CONTENTIOUS TIMES

Sponsored by American Studies, Office of Civic Engagement, and BYU Campus Conversations Project

How do we follow President Russell M Nelson's admonition to be peacemakers? How do we see and treat others as fellow children of God even when they hold views we consider wrong? Come learn how to engage in peaceful conversations across political, moral, and cultural divides.

**5 MAR 2024 | 5 PM | 250 KMBL**

Come eat empanadas while watching the film **The Basement Talks**, a documentary about Pro-Life and Pro-Choice Bostonians coming together in love in the aftermath of a tragic shooting. Followed by a brief training session on civil conversation techniques.

**Special Guests:** *The Basement Talks* filmmakers, BYU alumni **Sarah Perkins** and **Josh Sabey**

## Community Outreach and Engagement Internship Huntsman Cancer Institute

Huntsman Cancer Institute (HCI) at the University of Utah is seeking applicants for the Community Outreach and Engagement (COE) internship program. Selected interns will join established teams devoted to creating long-term solutions to prevent and screen for cancer and improve the health of individuals, families, and communities. Interns will engage in program planning and design; community health needs assessment activities; equity, diversity, and inclusion efforts; community and patient health promotion and education; HCI training efforts; community health and screening events; coalition work; professional development; personal projects; and with many other teams and projects to receive a broad perspective of community engagement work.

### Eligibility & Commitment:

The COE internship is for graduate and undergraduate students.

*Graduate Internship:* 15 weeks, 20 hours/week (300 total)

*Undergraduate Internship:* 15 weeks, 10-15 hours/week (150-225 total)

\*Interns can expect 50% of their internship to be done virtually/remote

### Application & Internship Timeline:

A new cohort of interns is accepted 3 times per year:

Spring Internship: January – April (Applications due **November 1**)

Summer Internship: May – August (Applications due **March 1**)

Fall Internship: September – December (Applications due **July 1**)

### How to Apply:

Interested students should email the following items to:  
[community@hci.utah.edu](mailto:community@hci.utah.edu)

- Current Resume including current schoolwork
- Cover Letter that includes the student's goals and expectations of the internship
- One letter of recommendation from an employer, professor, or mentor. Letters can be sent from the student *or* the letter writer

*If you have any questions,  
reach out via email at any time.*

Global Health  
Network

# Baylor College of Medicine®

The Texas Children's Global Health Network, in collaboration with Baylor College of Medicine, is offering a paid internship for the summer of 2024. This role is based in Houston, Texas, and spans a full-time, 12-week period starting mid-May 2024. It's an excellent chance for individuals to immerse themselves in global health program management, operations, and implementation, covering key aspects such as monitoring and evaluation, social media, fundraising, education, and training. The focus is on tackling health challenges in low-resource settings, making it an invaluable experience. Importantly, this position is open to graduate students with no prior experience in the field required.

For those interested, more details and application instructions can be found at the following link:
