Internships

Community Outreach and Engagement Internship Huntsman Cancer Institute

Huntsman Cancer Institute (HCI) at the University of Utah is seeking applicants for the Community Outreach and Engagement (COE) internship program. Selected interns will join established teams devoted to creating long-term solutions to prevent and screen for cancer and improve the health of individuals, families, and communities. Interns will engage in program planning and design; community health needs assessment activities; equity, diversity, and inclusion efforts; community and patient health promotion and education; HCI training efforts; community health and screening events; coalition work; professional development; personal projects; and with many other teams and projects to receive a broad perspective of community engagement work.

Eligibility & Commitment:

The COE internship is for graduate and undergraduate students.

Graduate Internship: 15 weeks, 20 hours/week (300 total)

Undergraduate internship: 15 weeks, 10-15 hours/week (150-225 total)

*Interns can expect 50% of their internship to be done virtually/remote

Application & Internship Timeline:

A new cohort of interns is accepted 3 times per year:

Spring Internship: January – April (Applications due **November 1**)

Summer Internship: May – August (Applications due **March 1**)

Fall Internship: September – December (Applications due **July 1**)

How to Apply:

Interested students should email the following items to: community@hci.utah.edu

- Current Resume including current schoolwork
- Cover Letter that includes the student's goals and expectations of the internship
- One letter of recommendation from an employer, professor, or mentor. Letters can be sent from the student *or* the letter writer

If you have any questions, reach out via email at any time.

Position: Bilingual Health Educator

Full-Time Paid Internship: 40 hours/week, no benefits, 6-month duration

Salary: \$27/hr

About the position:

Centro Hispano is recruiting a full-time, bilingual health educator in our Health Promotion Department. We

educate in order to empower the community in making goals and plans for their future through healthy behaviors and communication skills.

Position Activities:

- Create and implement curriculum to reduce the risk of Monkeypox (MPOX) and STD/STI transmission among adolescents and adults.
- Connect with local colleges and community centers to offer MPOX and Sexual Education Classes
- Collaborate with local health clinics and providers to ensure that participants have access to MPOX and sexual health testing and treatment services.
- Plan and execute a monthly sex education class for the general public to attend, free of cost.
- Attend meetings and trainings as requested by grantors and Promotion Department Coordinator
- Represent Centro Hispano in community and partnering agency meetings and events
- Assist in developing or improving outreach materials for programming in both Spanish and English
- Plan and attend Centro Hispano sponsored events
- Attend health/community fairs hosted by local partners
- Assist Health Promotion Department Coordinator with other department and company need
-

The educational sessions conducted by the health educator will cover a range of topics related to Monkeypox (MPOX) and sexual health, including prevention strategies, STI education, healthy relationships, and risk reduction. These sessions will be interactive and engaging, utilizing various educational methods such as presentations, discussions, and hands-on activities. The target population for this position are young adults (18-24 years of age), adults (25-44 years of age), LGBTQIA+, Individuals with a low socioeconomic status (SES) and Hispanic/ Latinx community

Qualifications:

- Bilingual in English and Spanish (required).
- Ability and desire to engage and work with young adults (18-24 years of age), adults (25-44 years of age), LGBTQIA+ individuals, individuals with low socioeconomic status (SES), and the Hispanic/Latino community.
- 6-12 months of experience in community/public health.
- Excellent interpersonal skills.
- Comfortable contacting and following up with interested participants over email, phone, and in person.
- Outstanding oral and written communication skills.
- Comfortable discussing sexual health topics with youth, parents, and community members.
- Excellent organizational skills and attention to detail, with the ability to consistently follow through and meet deadlines.
- Highly motivated, self-starter, and passionate about the health needs of the community.
- Ability to work and contribute as part of a team.
- Must be able to work in the office 5 days a week (Monday through Friday), which may require evenings and weekend hours.
-

If you are passionate about community health and meet the qualifications listed above, we encourage you to apply for this exciting opportunity to make a meaningful impact in the lives of those we serve.

Those interested can email georgec@centrohispanouc.org

GLOBAL HEALTH INTERNSHIP OPPORTUNITY

This internship is an unpaid, 12-week program that will require 5-10 hours per week.

AS AN INTERN YOU WILL GAIN:

- Valuable experience in global health and nonprofit management
- The option to join us on an international trip with a substantial portion of the travel expenses covered
- The opportunity to make a difference in the lives of underprivileged amputees around the world!

Send your resume and a paragraph on why you are interested in this position to Dave Williams
