Community Outreach and Engagement Internship Huntsman Cancer Institute

Huntsman Cancer Institute (HCI) at the University of Utah is seeking applicants for the Community Outreach and Engagement (COE) internship program. Selected interns will join established teams devoted to creating long-term solutions to prevent and screen for cancer and improve the health of individuals, families, and communities. Interns will engage in program planning and design; community health needs assessment activities; community health promotion and education; HCI training efforts; community health and screening events; coalition work; professional development; personal projects; and with many other teams and projects to receive a broad perspective of community engagement work.

Eligibility & Commitment:

The COE internship is for graduate and undergraduate students.

Graduate Internship: 15 weeks, 20 hours/week (300 total)

Undergraduate internship: 15 weeks, 10-15 hours/week (150-225 total)

*Interns can expect 50% of their internship to be done virtually/remote

Application & Internship Timeline:

A new cohort of interns is accepted 3 times per year:

Spring Internship: January – April (Applications due **November 1**)

Summer Internship: May – August (Applications due **March 1**)

Fall Internship: September – December (Applications due **July 1**)

How to Apply:

Interested students should email the following items to:
community@hci.utah.edu

- Current Resume including current schoolwork
- Cover Letter that includes the student's goals and expectations of the internship
- One letter of recommendation from an employer, professor, or mentor. Letters can be sent from the student or the letter writer

If you have any questions, reach out via email at any time.
